

Customer service is everything.

Good documentation is good customer service.

 **For the customer:** they know what was done, what changed, and what's next.

 **For the company:** everyone sees the full day without chasing anyone down.

EVERY JOB · EVERY DAY (F1-F3)

Clock in and out. Mark it Complete or Skipped. Submit the post-service form.

PROCEDURE

NOTES

DOCUMENT IT.

F1 Mark every job **Complete** or **Skipped** on the dispatch board by **end of day**.

F2 Submit the **post-service form** on every completed job.

LOG IT.

F3 **Clock in and out of every job.**

F4 Service Autopilot (SA) down? **Tell Jon or Tausha right away.**

PHOTOGRAPH IT.

F5 Be proud of your work. Take the pictures and **just upload them** to the job.

F6 Skipped or changed? Upload a **photo of the reason**: locked gate, dog, weather, damage.

NOTATE IT.

F7 Skipped or changed? Add a **job comment** with all three:

① **What happened**

② **Client contacted?**

③ **What happens next**

F8

Don't pass it off. Just do it.

Did the job or saw the problem? **You** document it. Don't pass it to a coworker.

If it isn't in Service Autopilot (SA), it didn't happen.
